CEO - COC

# Community Oncology Centre, Vasna

GCS envisaged achieving its mission of serving society through Community Oncology Center in 1988. The activities of this centre are mainly focused in -

- Health check up & OPDs for early detection of cancer and screening for common cancers
- Awareness and Education on Cancer through permanent exhibition 'Prayas'
- Pain and Palliative Services - 20 beds of Hospice for advanced staged cancer patients and terminally ill patients
- Training for Doctors, Nurses, Medical and Paramedical Students, NGOs, Social Workers, Volunteers on Cancer screening & palliative care.
- Home Visit to provide "Palliative Care" to home-bound cancer patients.

## Our New Projects

The Gujarat Cancer Society has conceptualized an idea of "**Comprehensive Palliative Cancer Care Centre**" by expanding Community Oncology Centre, Vasna. The aim is to reach out to a large number of people of nearby urban and rural areas and offer them Cancer Care services under one roof. It is also aimed to provide them continuum of care through Home Visit & Hospice facility. This unique, first of its kind project will cover the following services.

Services under New Project	New Services in existing Building
<ul style="list-style-type: none"><li>• Radiotherapy Unit</li><li>• Chemotherapy Unit</li><li>• Operation Theater</li><li>• ICU &amp; Recovery ward</li><li>• Pharmacy</li><li>• Palliative Care OPD &amp; Ward</li></ul>	<ul style="list-style-type: none"><li>• Physiotherapy Unit</li><li>• Dialysis Unit</li></ul>

## Let us join hands to strengthen the fight against Cancer

We invite Individuals / Companies keen on collaborating for sharing Corporate Social Responsibilities to support these efforts and donate generously. There are lots of ways you can support our work. Whatever you do, you'll be helping us make a positive change to the lives of the many.
