CANCER AWARENESS “PRAYAS” – A CANCER EXHIBITION

- An unique & first of its kind, permanent exhibition on “Cancer”
- It has all information about Cancer, Tobacco & Cancer and Healthy Life style
- It is a source for awareness and education on ‘Cancer’ for school students, Medical & Para-Medical students and NGO workers

HEALTH CHECK-UP

- Do you believe in regular health check-up?
- Does your health check –up package include few screening tests for common cancers?
- Prevention is better than cure! Yearly health check up helps to detect cancer in early and curable stage.

*“Happiness is the highest form of Health”
- Dalai Lama*

- Our unique health check-up approach for early detection of cancer and other diseases
- We are the pioneer in cancer related Health Check up including Mammography
- Less expensive health check-up plans
- Reliable results
- We do more than 4000 mammography every year!

HOSPICE SERVICES

Our palliative Care Principles....

- Holistic Care to patients
- Empowering caregivers
- Psycho-social support and counselling
- More comfort, care than cure

- Patients and Caregivers enjoy the natural surroundings of premises
- Free hospice and Home Care services
- Warm & cordial care by staff
- Maintaining dignity of patient till end of life

HOME CARE SERVICES

- We reach out to home bound patients also
- We educate family members how to take care of their loved ones at home
- We give them confidence and provide support as long as they live

TRAINING CENTER

"It has everything you want to know about Cancer"

- A Student

"We learnt how to detect suspicious cancer cases in the Community"

- A NGO Staff

"Now we know about the various screening tests for early detection of Cancer..."
